Scholar Project Questionnaire

Scholar Name:
Reference:

Mentor(s):
Supervisor(s):

1. Several factors may have influenced your decision to do this project. Please indicate your original **expected** importance before starting, and the extent to which your expectations were **fulfilled**:

	Expectations	Fulfilled
Experience, training, & improving “employability”		
Contact with potential employer		
Observe company without long term commitment		
Acquire more contacts in industry		
Personal interest in project topic		
Opportunity to work on “real” problem		
Get an early start to your final year project		
Fulfil course employment experience requirement		
Financial support for Tax-free CEED studentship		
Other (please state)		

2. In retrospect, what were the biggest **benefits** to you from doing a CEED project?
3. In retrospect, what were the biggest **disadvantages** to you from doing a CEED project?
4. Would you recommend CEED projects to new students?
5. Your CEED project imposed an extra workload compared to a conventional project. To what extent was this an issue?
6. Were you given sufficient information on your project before choosing to undertake it?

7. To what extent did you find the CEED induction program useful to you personally and for your project?
- | | Expected | Actual |
|--|----------|--------|
|--|----------|--------|
8. To what extent did you use the CEED Student Manual? Is there something that should be added to the manual?
9. Did you receive adequate support and advice from the CEED Office?
10. Did you receive adequate support and advice from your supervisor(s)?
11. Did you receive adequate support and advice from your client Mentor?
12. Did the CEED seminar, networking event, and formal paper, enhance your experience? Is there anything you would change?
13. Were there any negative aspects of your CEED project experience?
14. From your experiences, what advice would you give to new CEED students? (this advice may be put in later versions of the CEED student manual)
15. Please add any other comments or suggestions you would like to make.

Thank you for your feedback.
